READY-TO-ROLL INT. HOME STUDIO

Designed, built and operated by filmmaking professionals, Studio Two is the perfect creation space for anything INT. Home. Housing three stunning sets for living room, kitchen and bedroom - all of which are super customizable and functional for video, Studio Two is tailormade for you. But beware, it might be mighty hard to go back from here.

Cellar Door
STUDIO TWO

Take a break, conduct meetings, eat and drink. Shout at each other.
Also, a good place to stow clients away.

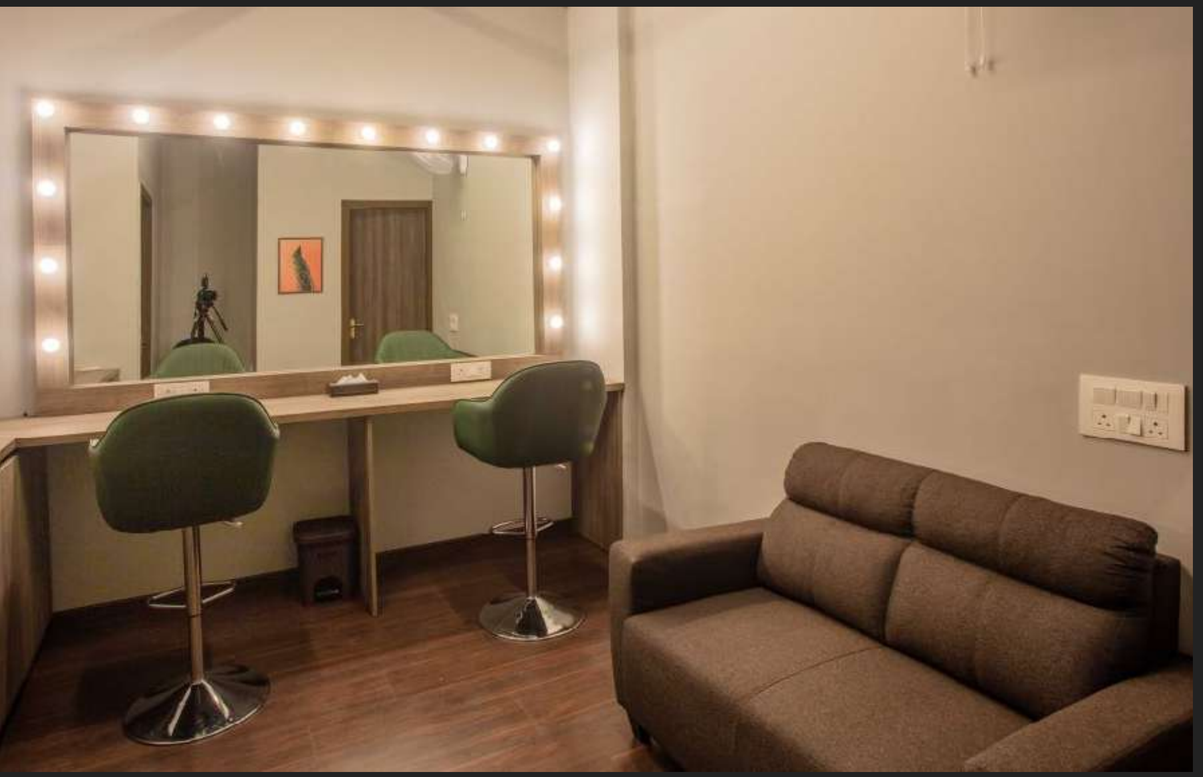
STUDIO TWO

The Green Room



While the etymology is still unclear to us, one thing is. Your actors will be happy on camera.
Changing Room, Steam press and clothes hanger included.

A lot more to love.

Remote Controlled Top-Lighting. Grid for more lights

It's not fun climbing up and changing lights. Our included bi-color Godox lights are all individually controlled via remotes. Want to add some more lights? Our super-sturdy grid is at your service.

Rentals starting from 2-Hr

Well, we've done so much of the legwork already. You might as well be done in a few minutes. Our rentals are super flexible to suit various crew sizes and set usage. And we're open 24x7.

In-House Equipment

Plenty of it. A 6K RAW Cinema Camera, kickass lenses, boom and lapel, sound recorders.
And Aputure Lights. All in-house in the studio, available instantly on rent.

A lot more to love.

Equipment & Crew Service

In case our in-house equipment is not for you and you need help arranging something else. We have partners. We will arrange. Anything. Anyone. DOPs, Cameras, lights, teleprompters, backdrops, coffee, happiness.

Free Wifi, AC and Electricity

300mbps.
22Tonnes.
Before you ask.

Free Parking

Because.
