ABOUT OUR STUDIOS

Cellar Door Studios is the largest and most loved chain of studios in Delhi NCR. These studios were originally built by filmmakers, for filmmakers. But over time, they've become something more — inspiring spaces where stories unfold, connections spark, and ideas come alive. Now, we're opening our doors to host events that deserve a setting as thoughtful and dynamic as the people attending them.

From intimate gatherings and brand launches to immersive pop-ups and curated showcases — our spaces are as flexible as your vision. Whether it's the largest cyclorama in town, or within the inviting walls of a lived-in kitchen or living room set, our studios provide a backdrop that transforms every event into an experience.
