

Cellar Door Studio One Podcast Setup Packages						
Space & Lights Packages	· Costs mentioned are exclusive of GST · These include the space, furniture, pre-installed lights. No camera or sound equipment. No crew support. · Furniture can be moved and brought in. No painting or nailing allowed. · If you need to customise heavily, please look at our Studios Two and Three. · Extra crew members will be charged. Overtime will be charged on a pro-rata basis.					
	Duration	Max. Team Size	Green Room AC + Wifi	Extra Power Load 5KW	Cost per Hour (Monday - Friday)	Cost per Hour (Saturday - Sunday)
Podcast Shoot	Min. 4 hours	10	Yes	Yes	₹3,000	₹3,000
Podcast Production Packages	· Costs mentioned are exclusive of GST · These include space, the podcast setups, lights, equipment and two crew members. List of equipment is mentioned below. · You just need to come in with the hosts and guests and leave the rest to us. · The packages are based on one-on-one podcasts. · Larger groups can be accomodated but will require more equipment that will be charged. Please refer to the add-on equipment list. · Final Deliverable: Footage from the cameras, audio files will be handed over in your drive or online post the shoot. · Editing and post-production will be add-ons. Packages for this are mentioned below.
